

December 2020

Dear Brothers and Sisters,

Although there have been many obstacles to ministry of late, God gave us many things to thank Him for.

In our last prayer letter, we needed \$100,000 to build the two-story building for the Yeguere neighborhood. We have some funds yet to add up, but we are definitely getting closer to having enough funds to complete this school for the October 2021 school year.

Schools were closed in March due to Covid-19, but we praise the Lord that we were able to open them in October for the new school year. We thank the Lord for the young women who made face masks for all the sponsored children and church members.

Prayer requests:

We need two new school buildings. We pray that we will be able to purchase property this summer for the OuezzinVille school. The situation there is similar to the Yeguere need and we are encouraged thinking about how God is meeting that need! Both the OuezzinVille school and the Nyeneta school are meeting in rented facilities.

The Nyeneta church is not near the rented school building, although we own the church building. Muslim families near the church often throw rocks at the church. Pray for the people in this neighborhood, that owning a school for their children will encourage them to examine the claims of Jesus Christ, who loves them so much!

The sponsored children have special Bible classes and most of these children accept

Jesus Christ as Savior. But all the school children (more than 5,000) have Bible classes. Pray for the teachers and the students. The goal is for the students to know the Lord and that those who have accepted the Lord will grow in faith.

And yes, we still need more child sponsors for children such as Anna! Sponsorships cost \$30 a month and provide an education, weekly food for their families, special Bible classes, and medication such as deworming pills twice a year, etc.

Please continue praying for both the teachers and the students. Pray for their safety, their health, and being able to have a normal school year.

At the end of 6th grade, 10th grade, and 13th grade, all students in Burkina Faso need to pass government-issued exams. These exams are difficult and many students do

not pass them, although our students pass at a much higher rate than the national average. Pray for the teachers and students as they prepare for these exams.

Then finally, as we consider the terrorism in the north, northwest, and east of the country; pray for the Lord's protection and provision. The majority of the ministry is located in the city of Bobo-Dioulasso, which is not in the affected areas. However, we do have churches in those areas, and terrorism can also hit in unexpected places.

God bless you all!

Judy Hull, reporting for Dr. Moussa Coulibaly
